

*We made the
right choice...*

"I sell Real Estate, and you know when you found the right house. It's a feeling. Just like I knew I was in the right place at Medford. There's no handbook on what is the right thing to do to care for a parent who has dementia, and putting my mom in a nursing home was the hardest thing I ever did. But, at Medford Multicare Center for Living they treat her nice. They treat her with dignity. The staff is wonderful. And I can sleep at night."
